

ANNUAL MEMBERSHIP MEETING

POLICY 8-4

PURPOSE: To establish policies on the conduct of annual membership meetings.

INTRODUCTION:

The term cooperative implies that every member has a moral responsibility to further its objectives. The members should not permit themselves to look upon the cooperative as something apart from them. They are owners of the cooperative and, as owners, they are the controlling body. As such, they are responsible for keeping themselves informed on the operating methods and efficiency of the cooperative. It is their cooperative and should therefore loyally support it. The most important support they can give is their attendance and participation during meetings. On the other hand, the Board reports regularly to the members to which it owes strict accounting. Towards this end, the Board hereby adopts the following policies.

POLICIES:

1. The annual meeting of all members of the cooperative shall be held every last Saturday of August of each year at such place within the service area of the cooperative.
2. Written notices stating the purpose, place, day and hour of the meeting shall be delivered not less than ten (10) days nor more than twenty-five (25) days prior to the meeting.
3. A quorum for the transaction of business at the annual meeting shall be five (5%) percent of all members or one hundred (100) whichever is lesser.
4. The order of business at the annual meeting of members shall be as follows:
 - a. Report on the number of members present in person to determine the existence of a quorum.
 - b. Reading of the notice of the meeting.
 - c. Reading of unapproved minutes of previous meeting of the members and the taking of the necessary action thereon.
5. Each member shall be entitled to only one vote upon each matter submitted to a vote at a meeting of the members.
6. The annual meeting shall be evaluated by the Board.

IMPLEMENTATION:

The Board and the General Manager shall be responsible for the implementation of this policy.
