

BOARD PER DIEMS

POLICY 1-4

INTRODUCTION:

Each individual member of the Board realizes that his participation and involvement in the cooperative is voluntary in nature, and that his main concern is the success of the Cooperative. Each member accepts his responsibility without any thought of material gain.

However, to partially compensate for the time and effort each Board member spends for Board meetings and for special travels to transact the cooperative business outside of the cooperative area, the Board adopts these policies:

POLICIES:

1. PER DIEMS – each Board member shall receive per diem for each regular and special meetings he attends, provided that the total per diems he receives for any calendar month shall not exceed what is approved and provided for by the NEA guidelines.
2. REPRESENTATION ALLOWANCE – each Board member shall receive a monthly allowance based on what is provided for by the NEA guidelines.

IMPLEMENTATION:

The General Manager is responsible for implementing this policy.
