

BOARD POLICIES

POLICY 1-1

PURPOSE: To establish policy on Board Policy formulation, adoption and implementation.

INTRODUCTION:

For its own guidance and decision-making, and for the purpose of informing all persons who may have an interest in BENECO operations and the procedures whereby BENECO Board Policies are formulated, adopted and implemented, the Board of Directors hereby adopts the following policies.

DEFINITION:

The terms "**BOARD**", "**PRESIDENT**", and "**MANAGER**" are used in this and other policy statements, unless otherwise defined, shall mean the BENECO B Board of Directors, the President of BENECO , and the General Manager of BENECO, respectively.

POLICIES:

1. All BENECO operations shall be conducted pursuant to and in conformity with policies adopted by the Board. If the need arises from any operating decision for which a policy has not been adopted, the Board shall be notified and shall adopt an applicable policy before such decision is made.
2. Board policies may be recommended to the Board by any of its members or by the General Manager.
3. All Board policies shall be promulgated in writing over the approving signatures of the President. The effective date of such policies shall be shown thereon and any existing policies thereby superseded or modified shall be clearly identified thereon.
4. The Manager is authorized and directed to formulate, adopt and implement any operating policy necessary to implement the policies adopted by the Board.

IMPLEMENTATION:

The Board shall have overall responsibility for implementing this Policy No. 1-1.
The Secretary shall have the responsible for implementing paragraph 3.
The Manager shall be responsible in implementing paragraph 4 thereon.
