

DISCIPLINARY MEASURES ON UNCRUPULOUS CONSUMERS

POLICY 6-4

As amended

OBJECTIVE: To set up specific guidelines governing illegal use of electricity within the BENECO franchise area.

POLICIES:

1. The following are considered forms of illegal use of electricity:
 - a. TAMPERED METER
 - broken seal
 - disconnected/dropped potential link
 - insertion/placement of any object that could affect the normal operation of the KWH meter
 - use of jumper at the terminal base
 - unauthorized adjustment of any meter part
 - other forms of meter tampering.
 - b. TILTED METER
 - c. TAMPERED METER EQUIPMENT
 - broken seal
 - use of jumper at the current transformer terminal to by-pass the kwh meter
 - disconnected potential link
 - d. DIRECT CONNECTION
 - e. ILLEGAL RE-CONNECTION
 - f. USE OF JUMPER
 - g. FLYING CONNECTION and/or resale-retail of electricity to another consumer without prior written authority from BENECO.
 - h. OTHER practices/acts wherein electricity is stolen.
2. Upon discovery of an illegal use of electricity, the consumer shall be penalized as follows:
 - a. Immediate disconnection of electric services.

DISCIPLINARY MEASURES ON UNCRUPULOUS CONSUMERS

POLICY 6-4

As amended

b. FINE by way of liquidated damages, to wit:

<u>LOAD</u>	<u>FINE</u>
- 3kw and below	P 2,500.00
- 4 kw to 6 kw	P 5,000.00
- 7 kw to 10 kw	P 10,000.00
- 11 kw to 15 kw	P 15,000.00
- 16 kw to 20 kw	P 20,000.00
- 21 kw to 25 kw	P 25,000.00
- above 25 kw	P 40,000.00

For flying connections that passes through a KWHmeter, the fine by way of liquidating damages is as follows:

<u>LOAD</u>	<u>FINE</u>
- 3 KW and below	P 1,000.00
- 4 kw to 6 kw	P 2,000.00
- 7 kw to 10 kw	P 3,000.00
- 11 kw to 15 kw	P 4,000.00
- 16 kw to 20 kw	P 5,000.00
- 21 kw to 25 kw	P 6,000.00
- above 25 kw	P 7,000.00

c. A retro-active billing of the consumers actual consumption for 12 months on connected loads. If energization of the consumer is less than one year, the computation of retro-active billing shall start at the time of service connection of last date of inspection.

The formula in determining the kwh consumption based on connected load is:

$$\frac{\text{WATTAGE} \times \text{No. of OPERATION HRS} - \text{DAY} \times \text{No. of DAYS}}{1,000}$$

The minimum number of operating hours to be applied in this formula (C.1) for residential and public building consumers are the following:

<u>FIXTURE / EQUIPMENT</u>	<u>HOURS/DAY OF USE</u>
Air conditioning	10
Bread toaster	0.3 hr/day
Fan (ceiling/desk)	8
Clock (desk/wall)	24

DISCIPLINARY MEASURES ON UNCRUPULOUS CONSUMERS

POLICY 6-4

As amended

Coffee maker	1
Food mixer and blender	0.3 hr/day
Floor polisher	0.5 hr/day
Freezer	24
Refrigerator	24
Range	6
Flat Iron	0.5 hr/day
Florescent lamp	6
Incandescent bulb	6
Hair dryer	0.5 hr/day
Radio /stereo/ tape recorder	3
TV set	5
Stove	5
Sewing machine	0.3 hr/day
Vacuum cleaner	0.5 hr/day
Water Heater	8
Washing machine	1.5
Water pump	10
Computer printer	1

- For commercial and industrial consumers, the minimum number of operating hours to be applied in the formula (C.1) shall be based on the actual operation of the business/establishment and/or actual usage of the load.

3. Any request for reconnection of disconnected electric service due to illegal use of electricity shall only be undertaken upon compliance of the following:

1st OFFENSE:

1. Paid in full the computed fines/penalties.
2. Paid at least FIFTY PERCENT (50%) of the computed power consumption (retro-active billing) and execution of a promissory note to pay the balance within THIRTY (30) days.
3. Paid the meter test and reconnection fees.
4. For flying connection, the offender has secured the permit for separate meter connection.
5. Report to the Institutional Services Department (ISD) for reconnection procedures.
6. Other requirements that may be imposed by the cooperative management should it deem it necessary.

2nd OFFENSE

1. Paid in full the computed fines/penalties and power consumption (retro-active billing).
2. Paid the meter test and reconnection fees.

DISCIPLINARY MEASURES ON UNCRUPULOUS CONSUMERS

POLICY 6-4 As amended

3. Suspension of electric service for FIFTEEN (15) days after paying in full the fines and retro-active billing for power consumption.
4. Other requirements that may be imposed by the cooperative management should it deem it necessary.

3rd OFFENSE

1. the third offense and other offenses thereafter shall be treated as 2nd offense thereby bearing the same fines and penalties.
2. Suspension of electric service for THIRTY (30) days after paying in full the fines and retro-active billing for power consumption.
4. This policy shall be taken as a general policy in treating the respective offenses and offender; however, the General Manager may, in justifiable cases, grant more liberal terms of payment depending on the financial standing and cooperative attitude of the offender-consumer. But the amount to be paid as hereinabove provided shall not be reduced.
5. This policy is without prejudice to the filing of appropriate legal cases in court against the offender consumer.

EFFECTIVITY:

This policy takes effect upon approval by the Project Supervisor and REM 1.

APPROVED: (SGD) FULGENCIO A. VIGARE, JR.
Project Supervisor/REM 1
