POLICY No. 01-2011

PURPOSE:

To establish a policy in the granting of an additional Thirty Thousand (Php 30,000.00) Pesos Educational Assistance to the existing Ten Thousand (PhP 10,000.00) Pesos to employees and officers of the Cooperative.

INTRODUCTION:

One of the priorities of employees is to send their children to school with a hope of improving the living conditions of their family in the future. This is the very reason why the BENECO Employees Labor Union (BELU) place this as priority in the economic provision of the Collective Bargaining Agreement (CBA) signed between the Union and the management. To avoid disparity in the grant of fringe benefits to employees and officers of the cooperative, there is now a need for a policy on Educational Assistance to benefit the other employees and officers who are not covered by the Collective Bargaining Agreement (CBA).

POLICY:

1. The Benguet Electric Cooperative, Inc. (BENECO) shall grant an additional amount of Thirty Thousand (Php 30,000.00) pesos to the existing basic Educational Assistance of Ten Thousand (Php 10,000.00) pesos to all its qualified employees and officers subject to the following Implementing Rules and Regulations.

Implementing guidelines:

1. This assistance shall be purposely to augment the expenses of employees who are actually sending their children to school and this should not financially benefit the employees who are still single or married but are not sending their children to school.
2. To be entitled of the assistance, the employee and other officers must have gained a regular status or serving as director during the period covered.
3. The single employees or married but does not send their children to school or the children have finished their studies shall be entitled to the basic educational assistance of ten (Php 10,000.00) thousand pesos.
4. Employees and officers whose children are currently enrolled or will enroll in a government recognized institution shall be entitled to the full amount of Forty Thousand pesos subject to submission of enrollment certificate. (Enrollment age shall be Three (3) up to the legal age of dependent children. However in the case of a special child, the age may go beyond the legal dependent age of 21)
5. Husband and wife employees of the cooperative with at least two legal dependent children shall be entitled to the full amount. However, when both employed husband and wife has only one legal dependent child, either the
