

EMERGENCY PURCHASE AND REPAIR

Policy No. 06-2004

PURPOSE: To set up guidelines on emergency purchases and repairs.

POLICIES:

Emergency purchase and repair shall be allowed only under the following conditions:

1. The need for the items and/or repairs are urgent and indispensable to prevent imminent and real danger to life, property and/or hamper the continuous operations of the distribution system as certified by the Department Manager concerned.
2. The circumstances require the immediate installation and/or use of the item/s to be purchased.
3. There is no sufficient time to conduct sealed/public bidding or canvass.
4. The cost and quantity of the item or repairs are competitive in the market at the time of the purchase.
5. A confirmatory report on the emergency purchase or repair shall be rendered immediately after the purchase or repair by the requisitioning Department to the General Manager and the Board of Directors. The report should contain, among others, the following:
 - a) Purchase/Job Requisition
 - b) Purchase Order/Job Order
 - c) Certification from the Canvasser or Purchaser that the cost and quality of the items or repairs and the terms and conditions of the purchase are competitive in the market at the time of the purchase.
 - d) Certification from the Head of the department concerned that the quality of the item/s purchased are acceptable and within the set standards.
 - e) An explanation as to the urgency of the purchase or repair.

IMPLEMENTATION: The General Manager shall be responsible in the implementation of this Policy.

EFFECTIVITY: This Policy shall take effect immediately upon approval.
