POLICY NO. 3-6 (As Amended)

SUBJECT: EMPLOYEES WORKING HOURS

PURPOSE: To establish a policy prescribing the number of working hours of Cooperative employees.

INTRODUCTION:

The Cooperative thru its Board of Directors, being aware of the provisions of the Labor Code of the Philippines, defining the normal hours of work of employees in all establishments and providing therefor a rest period; and knowledgeable of the sacrifices of the employees which have elevated the Cooperative to its present status, hereby adopts the following policies:

POLICY:

1. The normal hours of work of any employee shall not be less than eight (8) hours a day for five days a week or a total of forty (40) hours a week. Such hours shall be from 8:00 o'clock in the morning to 12:00 o'clock noon and from 1:00 o'clock to 5:00 o'clock in the afternoon.
2. When necessary, however, due to the nature of the work to be done in a particular Department, Division or Section, the employees of such office may be grouped by the head concerned, as the case may be, with the approval of the General Manager, into shifts. Provided that the herein prescribed number of working hours shall not be reduced and provided further, that the rest days shall be determined and scheduled such that maximum and efficient service to the public will not be impaired.
3. The General Manager, when the nature of the duties to be performed or the interest of the public service so requires, may extend the daily hours of work herein specified or may require service on Saturdays, Sundays or public holidays, and such extension or service as required shall be without additional compensation, unless otherwise provided by law. For this purpose, Policy No. 3-17 is hereby likewise amended accordingly.
4. Each head of Department, Division or Section shall require a daily record of attendance of all employees under him/her, including those serving in the field, to be kept on the proper form. Service "in the field" shall refer to service rendered outside the office proper.
5. Falsification or irregularities in the keeping of time records will render the guilty employee liable to the appropriate disciplinary action as provided for in Policy No. 3-11; without prejudice to criminal prosecution as the circumstances warrant.
