

EXCLUSIVE USE OF TRANSFORMERS

POLICY 10-2

OBJECTIVE:

To set forth guidelines for large loads drawing consumers on the exclusive usage of distribution transformers.

POLICIES:

1. The cooperative shall require the following member-consumers of electricity within the coverage area an individual, private and/or public entities to provide their own transformers for their sole use:
 - a. member-consumer with a load of TWELVE (12) kilowatts and above
 - b. commercial and/or industrial consumers involving inductive or meter loads exceeding EIGHT (8) kilowatts.
 - c. commercial and/or industrial consumers involving 3-phase loads
2. All member-consumers on the above provision have the right to lease/rent BENECO transformers at the following rates:

TRANSFORMER CAPACITY	PESOS/ KVA/MONTH	PESOS/ X'FORMER/MONTH
10 KVA	141.70	1,417.00
15KVA	125.65	1,884.75
25 KVA	95.15	2,328.75
50 KVA	70.90	3,545.00
75 KVA	58.80	4,410.00
100KVA	57.95	5,795.00
167KVA	53.15	8,876.05

These lease rates per KVA shall be computed based on the prevailing price of the transformer.

3. Consumers shall pay estimated cost of installation and deposit the amount equivalent to the months use of transformers and shall be approved by the General Manager with corresponding Contract of Agreement prior to the installation.
4. Member-consumers shall be responsible in replacing the damaged transformers of the same type or equivalent if the transformer breaks down due to overloading or fault on the load side.
5. Installation of transformer/s shall be done by authorized BENECO personnel only.

IMPLEMENTATION:

The General Manager shall be responsible in the implementation of this policy.

APPROVED.
