LENGTH OF SERVICE

PURPOSE:

To establish a guideline on the computation of Length of Service of employees for purposes of Service Awards and Computation of Retirement, Gratuity and Disability benefits.

INTRODUCTION:

The Cooperative has policies on Retirement, Gratuity and Disability Benefits and BRAVO-es. In addition thereto the BENECO Employees' Retirement Plan (BERP). The said policies and plan should have a synchronized provision on the computation of years/length of service. To eliminate disparity in the computation of years/length of service, there is now a need for a guideline to that effect.

GUIDELINES/IMPLEMENTING RULES & REGULATIONS:

The length of service of each employee in the cooperative shall be computed in accordance to the following guidelines taking into account the wisdom of the definitions of terms as stated below.

1. **LENGTH OF SERVICE** shall mean the duration of time that the employee has been under the employ of BENECO. Counting of years of continuous service shall start from date of employment regardless of employment status up to the date of his separation from service.

For newly hired employees from July 01, 2015 onwards, contractual, casual, project, probationary period shall be considered in the computation of length of service but excluding training/cadetship period.

2. **CONTINUOUS SERVICE** means the uninterrupted credited service as determined in the employees' personnel records/201 file counted from date of hire.

Approved Leave of Absence with or without pay shall not constitute an interruption of service, **but only periods of compensated service** shall be used in computing length of service. As such:

- a. Only the approved maximum period allowed by SSS for sickness, disability and maternity leaves shall be considered in the computation of length of service.
- b. Maximum allowable leave of absence as may be provided for by law like Special Leave Benefit for women based on the Magna Carta of Women (RA 9710) shall also be considered in the computation of length of service.
- c. Leaves of absences without pay, suspensions and the like shall be deducted in the computation of length of service.

3. **BREAK IN CREDITED SERVICE/ BROKEN PERIOD OF EMPLOYMENT** shall mean discontinued employment with the Cooperative for thirty (30) days. A break in credited service shall be deemed to have occurred whenever an employee:
 - a. was not issued an employment contract or appointment
 - b. voluntarily resigns
 - c. is discharged by the company
 - d. ceases to be an employee for any cause whatsoever or
 - e. when he fails to return to the service of the Cooperative after an approved leave of absence.

If a former employee is re-hired after a break in credited service for a valid reason, his credited service thereafter shall commence on the date he is last re-hired.

IMPLEMENTING RULES & REGULATIONS (IRR)

LENGTH OF SERVICE

4. **TRAINING/APPRENTICESHIP/CADETSHIP PERIOD** shall mean the period of training rendered before the employee was considered or given an employment contract as casual, contractual, probationary or regular. Such period shall be excluded in the computation of length of service.
5. A fraction of at least six (6) months of continuous service shall be considered as one (1) whole year for computation of length of service for Retirement, Disability and Gratuity benefit.
6. On the other hand, cut-off date for the computation of length of service for the BRAVO-es service awards shall be every 5th of October. Length of service shall be computed based on actual continuous service, a fraction of at least six (6) months of continuous service shall be considered as one (1) whole year.
7. This policy shall amend all inconsistent provisions with Policy No. 04-2011, Policy 01-2010 and other company issued guidelines and procedures relative to determination of employees' length of service.
