

MAINTENANCE & USE OF VEHICLES

POLICY 5-2

PURPOSE:

To establish guidelines on the use and maintenance of cooperative vehicles.

INTRODUCTION:

Vehicles owned or leased by the Cooperative are property of the combined membership, entrusted to the cooperative's employees for the purpose of carrying out the objective of the electrification program.

Unauthorized use of motor vehicles and inadequate maintenance can be a serious and costly problem unless specific precautions are planned and adhered to.

Towards this end, the Board hereby adopts the following policies:

POLICIES:

1. Vehicles should always be used for cooperative-connected activities only.
2. Use of vehicles by employees for personal business is at all times prohibited.
3. All vehicles should be plainly marked with the name of the cooperative.
4. The General Manager is responsible for the custody assignment and proper use of the cooperative's vehicles; he should assign the care and maintenance of vehicles to a responsible employee who will develop a program which will:
 - a. Provide a monthly check of the vehicles to determine the condition of the equipment and when maintenance is required.
 - b. Keep vehicles clean and in good operating condition at all times.
 - c. Assure routine servicing of equipments (greasing, changing oil, check of battery, air in tires, etc.).
5. Accurate records must be kept on the use and maintenance of each vehicle:
 - a. To assure that it is used only for authorized travels;
 - b. To schedule regular servicing; and
 - c. To provide a basis for assessing the reliability and economy of the cooperative's transportation equipment.
