MEMORANDUM:

FOR : **THE GENERAL MANAGER**
FROM : **THE ADMINISTRATIVE OFFICER**
SUBJECT : **REPRESENTATION ALLOWANCE**

Marlyn,
Ms. prepare for
April 2001 - per/m

Per NEA and BENECO guidelines, representation allowances are accorded to the AGM, Department Managers, Division Chiefs, Section Heads, the Administrative Officer and the Staff Assistant. However, as a result of the new Table of Organization, some of these Supervisors (names are hereto attached for ready reference) are reclassified as non-supervisors. With their reclassification as non-supervisors, will Management consider to continue giving them the representation allowance? It will be noted that representation allowance is attached to the position.

Also, in the new Table of Organization, classification of Supervisors is determined by the Salary Grade not by the usual supervisory level (Division Head or Section Head). Again, per NEA and BENECO guidelines, representation allowance is distributed, thus:

Department Managers	-	P3,000.00
Division Heads, Administrative Officer And Staff Assistant	-	P2,500.00
Section Heads	-	P 500.00

In line with this and based on the new Table of Organization, may we recommend the following schedule in distributing the monthly representation allowance:

70K
per/m

Department Managers	-	P 3,000.00
Grade 16 - 14	-	P 2,500.00
Grade 16		
- Principal Engineer (Engineering)		
- Superintendent (COMD)		
- MIS Supervisor		
- Administrative Officer		
Grade 15		
- Accounting Services Supervisor		
- Audit Supervisor		
- Supervising Engineer		
- Maintenance Construction Supervisor		
Grade 14

SUBJECT : THE BOARD'S ACTION on the MANAGEMENT'S
PROPOSAL TO REDUCE EMPLOYEES BENEFITS

It is my pleasant duty to inform you about the Board's action on the management's proposal to reduce employees benefits in line with the management's cost-cutting measures.

Attached herewith for your information and guidance is the joint report of the Board's Personnel Development Committee, the Policy Development Committee, and the Finance Committee which was adopted on motion and duly seconded during the 5 September 1998 meeting of the Board.

Perhaps it is a reason for the employees to celebrate. On the other hand, let us all take this opportunity to come to terms with the present-day reality that the ongoing economic turmoil and the very uncertain future is not only within our organization but also in the whole of Asia and other regions of the world. It's rough sailing ahead of us.

But we will overcome.

Let us join hands and renew our commitment not only to BENECO but also, first and foremost, to God Almighty, to our families, our community and our nation towards a brighter tomorrow.

Thank you.

The Board will be discussing with great interest whatever comments you may have during the 19 September 1998 meeting.

Thank you.

THE MEMBERS of the BOARD
BENGUET ELECTRIC COOPERATIVE, INC.

RE: PROPOSED REDUCTION of EMPLOYEES BENEFITS
IN LINE WITH THE COST-CUTTING FOR BENECO'S SURVIVAL

- a. Conversion of the P1,500 Rice Allowance into ONE CAVAN of rice;
- b. Scrapping of the uniform allowance;
- c. Amendment of the Policy on the conversion of earned leaves into cash each year; and,
- d. Deletion of the medical allowance.

Gentlemen:

In view of the letter of the Honorable Legal Counsel of BENECO dated 25 July 1998 in reply to the referral of the Administrative Officer regarding the letter of the General Manager to the Board of Directors dated 01 July 1998 which proposed the reduction of employees' benefits as a means of cost-cutting for BENECO's survival, wherein it is legally opined (and with the advise) that the law prohibits elimination or diminution of employees benefits, except where the grant is temporary and expressly declared to be subject to withdrawal by the employer, the Committee herein recommends:

1. Deny management's proposal to reduce the employees benefits as contained in the letter of the GM addressed to the Board dated 01 July 1998.
2. That the proposal may be returned to the Board for reconsideration when the employees shall have signified their intention to voluntarily agree to the proposal considering that these benefits has accrued to them as a right on account of their employment with the cooperative; and,
3. That management seriously consider the suggestions and recommendations of the BELU as contained in their letter addressed to the GM date 03 July 1998 as a means to cut costs without sacrificing employees' benefits.

And in addition, the Committee recommends, as a basis for the adoption of a policy, the following to wit:

PERTAINING TO ENTERTAINMENTS

1. That signing privileges be limited to the Board President, the GM, and at least two (2) others at the discretion/choice of the GM and that a guideline for the signing privilege be adopted.
2. That a policy regarding grant of donations and financial assistance be adopted; and,

3. A financial/cost analysis of the maintenance and repairs of vehicles.
4. That a policy regarding realignment of personnel from one division to another should only be done after both the Board and the management and the BSA and/or the BELU, has discussed and agreed with finality that such is in the exigency of service.

REPORT AND RECOMMENDATION

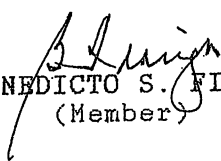

General Manager Gerardo P. Verzosa, in a letter dated August 16, 1999, submitted to the Board and on August 21, 1999 a request for the approval to release the amount of Five Hundred Pesos (P500.00) each to the officers and employees of BENECO. This, eventually, was referred to the Personnel Committee for proper study and recommendation.

Considering that the request for the approval of the amount to be given to each of the aforesated officers and employees is provided for in the prescribed NEA benefits that cash incentives will be given to officials, management and staff of cooperatives who are recipients of annual NEA awards, the committee finds the request of the General Manager with merit and, therefore, recommends to this Board that the same be approved.

THE HONORABLE MEMBERS
BENECO Board of Directors
Alapang, La Trinidad, Benguet

Gentlemen & Lady:

May we invite your attention to the attached NEA Memorandum to All Electric Cooperatives dated December 01, 1994 on the revised guidelines on benefits, allowances and other incentives to EC officers and employees.

Specifically on Board Meeting Per Diems, the allowed amount should be P1,000.00 per meeting but not to exceed P2,200.00 per month. On the representation allowances, the President is entitled to only P800.00 while the other Board Members at P400.00 per month. Once BENECO's categorization improves, the benefits are also adjusted accordingly.

In view of the foregoing, the undersigned is constrained to implement the memorandum since I shall be held liable for the grant of any benefit and allowance over and above those provided. Moreover, I do not have the means to produce the amount in the event I will be required to reimburse excess allowances & benefits.

For your information and appropriate action.

This is a sort of inquiry with respect to the possible granting of Optical Benefit due to eligible employees on the ground of reasonableness.

As envisioned by the REC Employees Welfare Program recently approved by NEA for implementation, in addition to the Medical Benefits, page 14 provides:

"The RECs may provide free annual optical check-up for all regular employees. They may subsidize the cost of eye glasses and other optical services at designated optical clinics subject to their financial capability... This is with the objective to provide employees with free optical check-up and help them with the high cost of optical services and eyeglasses."

In this regard, may I respectfully seek management position on this matter if I can avail such a privilege.
