

MOTORCYCLE PLAN

POLICY 2000-03

INTRODUCTION

The Motorcycle Plan basically centers on efficiency, effectiveness and cost reduction. That mobility if necessary for personnel of the Cooperative to be able to deliver his functions and duties effectively and efficiently. The Motorcycle Plan was designed to maximize manhours and lesser capital expenditures for the cooperative,

OBJECTIVES:

1. For personnel to be able to deliver their services efficiently and effectively.
2. To equip supervisors in closely monitoring activities of field personnel.
3. To be able to minimize traveling expenses.
4. To be able to deliver outright necessary materials and tools needed in the field or sub-offices.
5. As a too to motivate personnel.

POLICES:

1. That the recipient is a regular employee of good standing.
2. That the recipient should be a field personnel. For this purpose, field personnel shall be an employee who conducts any of the following functions and duties:
 - a. meter reading
 - b. bill distribution
 - c. distribution of disconnection notices
 - d. disconnection of electric services
 - e. field inspection
3. That the sharing scheme between BENECO and the recipient is at 50%-50%. The amount to be paid shall be up to the amount of Ninety Thousand Pesos (P90,000.00). If the cost of the motorcycle is more than the maximum, the excess amount shall be paid solely by the recipient. BENECO shall advance the payment of the motorcycle and the cost of interest shall be shared proportionately.
4. The recipient shall amortize his share of the acquisition cost over a period of five (5) years through salary deduction (bi-monthly). An interest rate of 4% per annum shall be charged to the unpaid balances after five (5) years.
5. The motorcycle shall be utilized by the recipient in the discharge of his duties in the BENECO for a period of not less than the amortization period of five (5) years and as long as he is an employee of BENECO.
6. The recipient at his own option, may apply for a new motorcycle plan at the end of the five (5)-year amortization period, provided that the first plan has been fully paid.
7. In case the recipient ceases to be an employee of BENECO, BENECO shall have the right-to-first-option acquire the motorcycle if the same has only been used by the recipient over a period of two (2) years by reimbursing the recipient his total accumulated amortization payments. If BENECO waives its right to first-option-to-acquire the motorcycle or if the motorcycle has already been used by the recipient for more than two (2) years, the recipient must have to acquire the motorcycle by way of paying in cash the remaining balance of his share.

MOTORCYCLE PLAN

POLICY 2000-03

8. In case the recipients is transferred to a position not falling under the definition of recipient provided under Policy number 2 above within the amortization period for whatever cause, the recipient shall have the right-to-first-option to acquire by way of continuing his remaining amortization payments. However, the recipient shall not be entitled anymore to other benefits provided for in the Motorcycle Plan.
9. That the cost of registration shall be to the account of BENECO provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with BENECO and until such time that the ownership of the motorcycle is transferred in the name of the recipient. The cost of the transfer of ownership shall be to the account of the recipient.
10. In case of accident, the claim of damages by a third party for injury, death or damages to property shall be answered by the insurance policy. However, in case the cost of damages is more or beyond the insurance coverage, BENECO may shoulder the expenses provided that the recipient is not guilty beyond reasonable doubt of reckless imprudence and the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty. On the damage of the motorcycle itself, the second paragraph may apply in the absence of own-damage insurance policy. It is presumed that the motorcycle itself is still owned by BENECO unless transferred to the recipient.
11. For a brand new motorcycle, there should be no repair allowance for the first year. From the 2nd year, a monthly repair allowance will be given to the recipient in the amount of sis hundred (P600.00) pesos, provided that the motorcycle is being used in the discharge of his official duties and functions with BENECO.
12. The BENECO shall provide the recipient a free change of tire/s yearly and the chain sprocket (as the need arise_ provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with the BENECO.
13. BENECO shall provide gasoline and oil allocation for the recipient's motorcycle based on the approved trip ticket and itinerary of travel.
14. The recipient shall be considered in material breach of the provisions of this policy if the recipient does not use the motorcycle in the discharge of his official duties and functions with BENECO without any valid cause. In this case, the recipient shall be liable to pay the total acquisition cost of the motorcycle (including the share of BENECO).

IMPLEMENTATION: The General Manager shall be responsible in the implementation of this policy.

EFFECTIVITY: This policy shall take effect immediately upon approval.

POLICY No. 2000-03

As Amended

INTRODUCTION

The *Motorcycle Plan* basically centers on efficiency, effectiveness and cost reduction. That mobility if necessary for personnel of the cooperative to be able to deliver his functions and duties effectively and efficiently.

The *Motorcycle Plan* was designed to maximize man-hours and lesser capital expenditures for the cooperative,

OBJECTIVES:

1. For personnel to be able to deliver their services efficiently and effectively.
2. To equip supervisors in closely monitoring activities of field personnel.
3. To be able to minimize traveling expenses.
4. To be able to deliver outright necessary materials and tools needed in the field or sub-offices.
5. As a tool to motivate personnel.

POLICES:

1. That the recipient is a regular employee of good standing.
2. That the recipient should be a field personnel. For this purpose, field personnel shall be an employee who conducts any of the following functions and duties:
 - a. meter reading
 - b. bill distribution
 - c. distribution of disconnection notices
 - d. disconnection of electric services
 - e. field inspection
3. That the sharing scheme between BENECO and the recipient is 70%/30%. The amount to be paid shall be up to the amount of one hundred thousand pesos (P100,000). If the cost of the motorcycle is more than the maximum, the excess amount shall be paid solely by the recipient. BENECO shall advance the payment of the motorcycle and the cost of interest shall be shared proportionately."
4. The recipient shall amortize his share of the acquisition cost over a period of five (5) years through salary deduction (bi-monthly). An interest rate of 4% per annum shall be charged to the unpaid balances after five (5) years.
5. The motorcycle shall be utilized by the recipient in the discharge of his duties in the BENECO for a period of not less than the amortization period of five (5) years and as long as he is an employee of BENECO.
6. The recipient at his own option, may apply for a new motorcycle plan at the end of the five (5)-year amortization period, provided that the first plan has been fully paid.
7. In case the recipient ceases to be an employee of BENECO, BENECO shall have the right-to-first-option acquire the motorcycle if the same has only been used by the recipient over a period of two (2) years by reimbursing the recipient his total accumulated amortization payments. If BENECO waives its right to first-option-to-acquire the motorcycle or if the motorcycle has already been used by the recipient for more than two (2) years, the recipient must have to acquire the motorcycle by way of paying in cash the remaining balance of his share.

OGM

8. In case the recipients is transferred to a position not falling under the definition of recipient provided under Policy number 2 above within the amortization period for whatever cause, the recipient shall have the right-to-first-option to acquire by way of continuing his remaining amortization payments. However, the recipient shall not be entitled anymore to other benefits provided for in the Motorcycle Plan.
9. That the cost of registration shall be to the account of BENECO provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with BENECO and until such time that the ownership of the motorcycle is transferred in the name of the recipient. The cost of the transfer of ownership shall be to the account of the recipient.
10. In case of accident, BENECO, at its own cost, shall insure the motorcycle vehicle until the ownership of the same shall not have been transferred to the RECIPIENT. In relation thereto, all insurance proceeds shall inure to the benefit of BENECO as the insurer.

In case of accident where there is no contributory negligence on the part of the RECIPIENT, the claim for damages by a third party for injury, death or damages to property shall be paid by BENECO, provided that the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty.

In case it shall be proven after investigation made by management through a committee to be headed by the General Services Officer, the immediate supervisor of the employee concerned and the Administrative Officer, that there is contributory negligence on the part of the RECIPIENT not at all attributable to mechanical defect, the RECIPIENT shall bear LL CLAIMS FOR DAMAGES on injury to third persons, death or damage to property, including cost of damages on the motorcycle subject of the *Motorcycle Plan*.

The committee shall conduct its investigation within ten (10) days after the incident and shall submit its written recommendation within five (5) days after conclusion of the investigation for approval of the General Manager whose decision is final and immediately executory.

The RECIPIENT shall submit to the General Services Officer, through the Human Resource Development Department Manager all documents relevant thereto, such as but not limited to (a) incident report or police report or sworn affidavit; (b) cost estimate of the damaged vehicle; (c) pictures of the motorcycle vehicle; and, (d) other data as may be required.

However, should the employee opt to go to court at his own cost, or await the court's final decision, the payment for the claims shall be held in abeyance pending resolution thereof. The motorcycle vehicle, however, shall be repaired initially at the cost of BENECO, in as far as the court may allow. Should it be found that it is due to the fault of the BENECO employee, all disbursements made in connection thereto shall be charged against him. On the other hand, should the employee be found innocent of the charges, the cost of the damage to the motorcycle vehicle shall be for the account of BENECO.

11. For a brand new motorcycle, there shall be no repair for the first year. From the 2nd year, BENECO shall shoulder ALL NECESSARY REPAIRS, excluding accessories, on the motorcycle vehicle, provided that the motorcycle is being used in the discharge of his official duties and functions with BENECO and provided further that the RECIPIENT shall adhere to the procedures on the claims for payment or refund set forth as follows:
 - a. For motorcycles in running condition, the RECIPIENT must bring the vehicle at the motorpool for evaluation and proper endorsement to the accredited shops.
 - b. For motorcycles on field requiring immediate repair, the RECIPIENT may bring the vehicle to the accredited shops. The RECIPIENT must immediately

notify the General Services Officer of the circumstances, personally or by phone through any of the guards on duty, who shall log the call and thereafter must notify the General Services Officer on the matter.

- c. If personally notified, the General Services Officer or his duly authorized representative shall proceed to the accredited shop where the RECIPIENT brought the vehicle and inspect the vehicle under repair. He shall prepare an inspection report to be attached to the claim for payment or refund.
- d. If the RECIPIENT personally notified the General Services Officer, he must sign the notification report to be attached to the claim. If the RECIPIENT notified the office through the guard on duty, the guard on duty shall photocopy the entry which shall be equivalent to notice and shall be attached to the claim for payment or refund.
- e. The RECIPIENT shall bring his motorcycle vehicle for repair at the accredited shops only. If this should not be possible, the RECIPIENT can only apply for a refund with his justification/s why he did not bring the motorcycle vehicle with the accredited shops, subject to the evaluation of the General Services Officer.
- f. Any repair shop applying or proposed for accreditation shall be submitted to the Internal Audit Office for evaluation and to the General Manager for approval.
- g. Accessories are defined as those additions made to the motor vehicle after its purchase. The motorcycle vehicle when purchased is understood to be in good running condition.

EFFECTIVITY:

This policy shall take effect immediately upon approval.

All personnel who have availed of the *Motorcycle Plan* who are affected by this amendment shall refund to BENECO all the repair allowance drawn prior to the approval of this amendment.

All provisions of Policy 2000-03 not inconsistent herewith shall remain in full force and effect.

IMPLEMENTATION:

The General Manager shall be responsible in the implementation of this policy.

EFFECTIVITY:

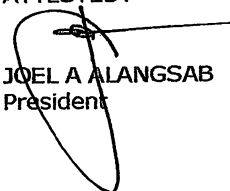

This policy shall take effect immediately upon approval.

APPROVED by virtue of BENECO Board Resolution No. 75-2007 dated 22 June 2007.

RESOLUTION No. 75-2007

ADOPTING THE REPORT / RECOMMENDATIONS OF THE *CONTRACTS COMMITTEE* AND THE *COMMITTEE ON LAWS AND POLICIES* REGARDING THE MANAGEMENT'S PROPOSAL FOR THE AMENDMENT OF THE POLICY ON MOTORCYCLE PLAN

WHEREAS, the matter regarding the management's proposal to amend the Policy on the Motorcycle Plan was referred to the *Contracts Committee* and the *Committee on Laws and Policies* for further evaluation and proper disposition;

WHEREAS, in today's meeting the *Contracts Committee* and the *Committee on Laws and Policies* rendered its report / recommendation, hereby quoted verbatim ac literatim (letter for letter, word for word):

It can be recalled that the matter was referred to this committee for further evaluation and proper disposition.

Thus, the matter was the subject of consultations between the committee members and the representatives of the management, more particularly the President of the BELU and the metering section represented by Mr. Edward Albin, who both manifested that the meter readers were duly consulted and were favorable to the proposed amendments.

The committee, therefore, recommends the adoption of the proposed amendments to the policy on the Motorcycle Plan as hereunder stated as contained in the GM's letter dated 15 May 2007 proposing to the Board the amendment of the *Motorcycle Plan* (Policy 2000-03), hereby quoted verbatim ac literatim (letter for letter, word for word):

The cooperative, through the honorable members of the Board, enacted Policy No. 2000-03 on Motorcycle Plan to rationalize the coop's need for efficiency, effectiveness and cost reduction in terms of maximizing man-hours as personified by the mobility of field personnel.

To further enhance the policy to amply the objective of its implementation, management hereby proposed the following amendments, to wit:

Section 1: Item 3 of the Policy which states:

"3. That the sharing scheme between BENECO and the recipient is 50%/50%. The amount to be paid shall be up to the amount of ninety thousand pesos (P90,000). If the cost of the motorcycle is more than the maximum, the excess amount shall be paid solely by the recipient. BENECO shall advance the payment of the motorcycle and the cost of interest shall be shared proportionately."

Shall be read as follows:

"3. That the sharing scheme between BENECO and the recipient is 70%/30%. The amount to be paid shall be up to the amount of one hundred thousand pesos (P100,000). If the cost of the motorcycle is more than the maximum, the excess amount shall be paid solely by the recipient. BENECO shall advance the payment of the motorcycle and the cost of interest shall be shared proportionately."

Section 2: Item 10 of the Policy which states:

=====

"10. In case of accident, the claim of damages by a third party for injury, death, damages to property shall be answered by the insurance policy. However, in case the cost of damages is more or beyond the insurance coverage, BENECO may shoulder the expenses provided that the recipient is not guilty beyond reasonable doubt of reckless imprudence and the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty. On the damage of the motorcycle itself, the second paragraph may apply in the absence of own-damage insurance policy. It is presumed that the motorcycle itself is still owned by BENECO unless transferred to the recipient."

Shall be read as follows:

"10. BENECO, at its own cost, shall insure the motorcycle vehicle until the ownership of the same shall not have been transferred to the RECIPIENT. In relation thereto, all insurance proceeds shall inure to the benefit of BENECO as the insurer.

In case of accident where there is no contributory negligence on the part of the RECIPIENT, the claim for damages by a third party for injury, death or damages to property shall be paid by BENECO, provided that the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty.

In case it shall be proven after investigation made by management through a committee to be headed by the General Services Officer, the immediate supervisor of the employee concerned and the Administrative Officer, that there is contributory negligence on the part of the RECIPIENT not at all attributable to mechanical defect, the RECIPIENT shall bear **LL CLAIMS FOR DAMAGES** on injury to third persons, death or damage to property, including cost of damages on the motorcycle subject of the Motorcycle Plan.

The committee shall conduct its investigation within ten (10) days after the incident and shall submit its written recommendation within five (5) days after conclusion of the investigation for approval of the General Manager whose decision is final and immediately executory.

The RECIPIENT shall submit to the General Services Officer, through the Human Resource Development Department Manager all documents relevant thereto, such as but not limited to (a) incident report or police report or sworn affidavit; (b) cost estimate of the damaged vehicle; (c) pictures of the motorcycle vehicle; and, (d) other data as may be required.

However, should the employee opt to go to court at his own cost, or await the court's final decision, the payment for the claims shall be held in abeyance pending resolution thereof. The motorcycle vehicle, however, shall be repaired initially at the cost of BENECO, in as far as the court may allow. Should it be found that it is due to the fault of the BENECO employee, all disbursements made in connection thereto shall be charged against him. On the other hand, should the employee be found innocent of the charges, the cost of the damage to the motorcycle vehicle shall be for the account of BENECO.

Section 3, Item 11 which states:

"11. For a brand new motorcycle, there shall be no repair for the first year. From the 2nd year, a monthly repair allowance will be given to the RECIPIENT in the amount of six hundred pesos (P600.00), provided that the motorcycle is being used in the discharge of his official duties and functions with BENECO.

Shall be read as follows:

"11. For a brand new motorcycle, there shall be no repair for the first year. From the 2nd year, BENECO shall shoulder **ALL NECESSARY REPAIRS**, excluding accessories, on the motorcycle vehicle, provided that the motorcycle is being used in the discharge of his official duties and functions with BENECO and provided further that the RECIPIENT shall adhere to the procedures on the claims for payment or refund set forth as follows:

- a. For motorcycles in running condition, the RECIPIENT must bring the vehicle at the motorpool for evaluation and proper endorsement to the accredited shops.
- b. For motorcycles on field requiring immediate repair, the RECIPIENT may bring the vehicle to the accredited shops. The RECIPIENT must immediately notify the General Services Officer of the circumstances, personally or by phone through any of the guards on duty, who shall log the call and thereafter must notify the General Services Officer on the matter.
- c. If personally notified, the General Services Officer or his duly authorized representative shall proceed to the accredited shop where the RECIPIENT brought the vehicle and inspect the vehicle under repair. He shall prepare an inspection report to be attached to the claim for payment or refund.
- d. If the RECIPIENT personally notified the General Services Officer, he must sign the notification report to be attached to the claim. If the RECIPIENT notified the office through the guard on duty, the guard on duty shall photocopy the entry which shall be equivalent to notice and shall be attached to the claim for payment or refund.

- e. *The RECIPIENT shall bring his motorcycle vehicle for repair at the accredited shops only. If this should not be possible, the RECIPIENT can only apply for a refund with his justification/s why he did not bring the motorcycle vehicle with the accredited shops, subject to the evaluation of the General Services Officer.*
- f. *Any repair shop applying or proposed for accreditation shall be submitted to the Internal Audit Office for evaluation and to the General Manager for approval.*
- g. *Accessories are defined as those additions made to the motor vehicle after its purchase. The motorcycle vehicle when purchased is understood to be in good running condition.*

EFFECTIVITY: This policy shall take effect immediately upon approval.

All personnel who have availed of the Motorcycle Plan who are affected by this amendment shall refund to BENECO all the repair allowance drawn prior to the approval of this amendment.

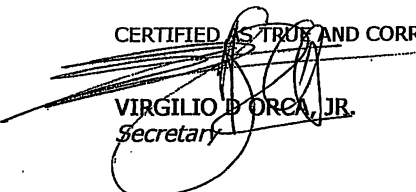

All provisions of Policy 2000-03 not inconsistent herewith shall remain in full force and effect.

NOW, THEREFORE on motion duly seconded, BE IT

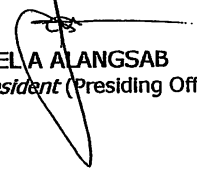

RESOLVED, AS IT IS HEREBY RESOLVED, to adopt the above-quoted report of the *Contracts Committee* and the *Committee on Laws and Policies* and the recommendations thereof.

"CARRIED".

MOTORCYCLE PLAN

POLICY 2000-03, as amended

PURPOSE:

To establish a policy on Motorcycle Plan:

1. To ensure mobility of personnel in order to achieve efficiency and effectiveness at a least cost.
2. To equip supervisors in order to closely monitor the activities of field personnel.
3. To be able to minimize traveling expenses.
4. To be able to deliver outright necessary materials and tools needed in the field or sub-offices.
5. As a tool to motivate personnel.

INTRODUCTION:

BENECO is committed to build a high performance culture that encourages officers and employees to perform their duties and functions efficiently and effectively. To this end, the Motorcycle Plan was designed to ensure mobility of personnel to maximize man hours with less capital expenditure for the Cooperative.

POLICY:

The Benguet Electric Cooperative, Inc. (BENECO) shall grant Motorcycle Plan to all qualified officers and employees subject to the following Implementing Rules and Regulations.

Implementing guidelines:

1. The recipient is a regular employee of good standing.
2. The recipient should be field personnel. For this purpose, field personnel shall be an employee who conducts any of the following functions and duties:
 - a. meter reading and billing functions
 - b. field inspections
3. BENECO shall shoulder up to Php70,000.00 of the cost of the motorcycle and the excess shall be shouldered solely by the recipient. The maximum acquisition cost shall be at One Hundred Fifty Thousand Pesos (P150,000.00).
4. BENECO shall avail of a loan for the payment of the motorcycle and the cost of interest shall be shared proportionately.
5. The recipient shall amortize his share of the acquisition cost over a period of five (5) years through salary deduction (bi-monthly). An interest rate of 4% per annum shall be charged to the unpaid balances after five (5) years.
6. The motorcycle shall be utilized by the recipient in the discharge of his duties and functions as a BENECO employee for a period of not less than five (5) years and as long as he is an employee of BENECO.
7. The recipient at his own option may apply for a new motorcycle plan at the end of the five (5)-year amortization period, provided that the first plan has been fully paid.
8. In case the recipient ceases to be employee of BENECO, the recipient shall pay in full the remaining total balance (BENECO & employee share) of the acquisition cost including interest if any and the unit shall be transferred to him. If the employee decides not to acquire the unit, his paid monthly amortizations shall be forfeited in favor of BENECO.

In case the employee/recipient is separated from the service for just cause the unit shall be retained by the cooperative and the recipient shall not receive any refund.

MOTORCYCLE PLAN

POLICY 2000-03, as amended

If the employee recipient is separated from the service for any of the authorized causes, he must acquire the unit by paying in full the remaining total balance (BENECO & employee share) including the interest if any.

In the event that the recipient died while on-duty, the declared legal dependents may opt to acquire the motorcycle with no additional cost. In case the dependent decided not to acquire the same, the monthly amortizations paid by the beneficiary shall be refunded in full.

On the other hand, in the event that the recipient died off- duty, the declared legal dependents may opt to acquire the motorcycle by paying the remaining balance of the employee-beneficiary's share. In case the dependent decided not to acquire the same, the monthly amortizations paid by the beneficiary shall be refunded in full.

9. In case the recipients is transferred to a position not falling under the definition of recipient provided under paragraph no. 2 above within the amortization period for whatever cause, the recipient shall have the right-to-first-option to acquire by way of continuing his and BENECO's remaining amortization payments. In such case, the recipient shall not be entitled anymore to other benefits provided for in the Motorcycle Plan. On the other hand, if he opts not to acquire the motorcycle, the recipient's contribution shall be forfeited in favor of BENECO.

Similarly, non use of the issued motorcycle shall be a ground for management to require the recipient to acquire the motorcycle and pay his and BENECO's remaining amortization payments.

10. That the cost of registration shall be on the account of BENECO provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with BENECO and until such time that the ownership of the motorcycle is transferred in the name of the recipient. The cost of the transfer of ownership shall be on the account of the recipient.
11. In case of accident, the claim of damages by a third party for injury, death or damages to property, including the damage on the motorcycle itself, the same shall be covered by the insurance policy. However, in case the cost of damages is more or beyond the insurance coverage, BENECO ,may shoulder the expenses provided that the recipient is not guilty beyond reasonable doubt of reckless imprudence and that the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty.
12. In cases of loss of the motorcycle for any reasons, any insurance proceeds shall be for the entire benefit of BENECO being the insurer. The motorcycle is owned by BENECO until and unless transferred to the recipient.

On the other hand, any cost incurred due to denied insurance claim shall be on the account of the recipient. In cases of total loss, the recipient shall pay the depreciated cost of the motorcycle. All cost of damages will be on the account of the recipient. This is separate and distinct to any possible sanctions based on the BENECO Employees' Code of Ethics and Discipline.

13. Guidelines on repairs:

a. On the first year, there shall be no repair allowance except maintenance with maximum amount of P 30,000.00 On the second year up to the fifth year, the annual maximum allowable repairs and maintenance expense shall be at P 50,000.00. Any excess shall be for the accounts of the recipient.

The BENECO shall provide the recipient a free change of tire/s yearly and the chain sprocket (as the need arise) provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with the BENECO.

MOTORCYCLE PLAN

POLICY 2000-03, as amended

14. BENECO shall provide gasoline and oil allocation for the recipient's motorcycle based on the approved trip ticket and itinerary of travel.
15. The recipient shall be considered in material breach of the provisions of this policy if the recipient does not use the motorcycle in the discharge of his official duties and functions with BENECO without any valid cause. In this case, the recipient shall be liable to pay the total acquisition cost of the motorcycle (including the share of BENECO).
16. The recipient shall submit to the Institutional Services Department (ISD) Attention: the Health and Safety Officer and the General Services Officer his preferred model and brand of the motorcycle for evaluation of the specification vis-à-vis the physical attribute of the requesting personnel (specifically the height, arm length, power to weight ratio, etc.).

IMPLEMENTATION: The General Manager shall be responsible in the implementation of this policy.

EFFECTIVITY: This policy shall take effect immediately upon approval.

In case the dependent decided not to acquire the same, the monthly amortizations paid by the beneficiary shall be refunded in full.

9. In case the recipients is transferred to a position not falling under the definition of recipient provided under paragraph no. 2 above within the amortization period for whatever cause, the recipient shall have the right-to-first-option to acquire by way of continuing his and BENECO's remaining amortization payments. In such case, the recipient shall not be entitled anymore to other benefits provided for in the Motorcycle Plan. On the other hand, if he opts not to acquire the motorcycle, the recipient's contribution shall be forfeited in favor of BENECO.

Similarly, non use of the issued motorcycle shall be a ground for management to require the recipient to acquire the motorcycle and pay his and BENECO's remaining amortization payments.

10. That the cost of registration shall be on the account of BENECO provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with BENECO and until such time that the ownership of the motorcycle is transferred in the name of the recipient. The cost of the transfer of ownership shall be on the account of the recipient.
11. In case of accident, the claim of damages by a third party for injury, death or damages to property, including the damage on the motorcycle itself, the same shall be covered by the insurance policy. However, in case the cost of damages is more or beyond the insurance coverage, BENECO ,may shoulder the expenses provided that the recipient is not guilty beyond reasonable doubt of reckless imprudence and that the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty.
12. In cases of loss of the motorcycle for any reasons, any insurance proceeds shall be for the entire benefit of BENECO being the insurer. The motorcycle is owned by BENECO until and unless transferred to the recipient.

On the other hand, any cost incurred due to denied insurance claim shall be on the account of the recipient. In cases of total loss, the recipient shall pay the depreciated cost of the motorcycle. All cost of damages will be on the account of the recipient. This is separate and distinct to any possible sanctions based on the BENECO Employees' Code of Ethics and Discipline.

13. Guidelines on repairs:

- a. On the first year, there shall be no repair allowance except maintenance with maximum amount of P 30,000.00 On the second year up to the fifth year, the annual maximum allowable repairs and maintenance expense shall be at P 50,000.00. Any excess shall be for the accounts of the recipient.

The BENECO shall provide the recipient a free change of tire/s yearly and the chain sprocket (as the need arise) provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with the BENECO.

MOTORCYCLE PLAN

POLICY 2000-03, as amended

14. BENECO shall provide gasoline and oil allocation for the recipient's motorcycle based on the approved trip ticket and itinerary of travel.
15. The recipient shall be considered in material breach of the provisions of this policy if the recipient does not use the motorcycle in the discharge of his official duties and functions with BENECO without any valid cause. In this case, the recipient shall be liable to pay the total acquisition cost of the motorcycle (including the share of BENECO).
16. The recipient shall submit to the Institutional Services Department (ISD) Attention: the Health and Safety Officer and the General Services Officer his preferred model and brand of the motorcycle for evaluation of the specification vis-à-vis the physical attribute of the requesting personnel (specifically the height, arm length, power to weight ratio, etc.).

IMPLEMENTATION: The General Manager shall be responsible in the implementation of this policy.

EFFECTIVITY: This policy shall take effect immediately upon approval.

MOTORCYCLE PLAN as amended

POLICY 2000-03

INTRODUCTION:

The Motorcycle Plan basically centers on efficiency, effectiveness and cost reduction. That mobility is necessary for personnel of the Cooperative to be able to deliver his functions and duties effectively and efficiently. The Motorcycle Plan was designed to maximize man-hours and lesser capital expenditures for the cooperative.

OBJECTIVES:

1. For personnel to be able to deliver their services efficiently and effectively.
2. To equip supervisors in closely monitoring activities of field personnel.
3. To be able to minimize traveling expenses.
4. To be able to deliver outright necessary materials and tools needed in the field or sub-offices.
5. As a tool to motivate personnel.

POLICES:

1. That the recipient is a regular employee of good standing.
2. That the recipient should be field personnel. For this purpose, field personnel shall be an employee who conducts any of the following functions and duties:
 - a. meter reading
 - b. bill distribution
 - c. distribution of disconnection notices
 - d. disconnection of electric services
 - e. field inspection
3. That the sharing scheme between BENECO and the recipient is at 70%-30%. The maximum acquisition amount shall be at One Hundred Thousand Pesos (P100,000.00). If the cost of the motorcycle chosen by the recipient is more than the maximum, the excess amount shall be paid in cash/full solely by the recipient at the time of acquisition. BENECO shall avail of a loan for the payment of the motorcycle and the cost of interest shall be shared proportionately.
4. The recipient shall amortize his share of the acquisition cost over a period of five (5) years through salary deduction (bi-monthly). An interest rate of 4% per annum shall be charged to the unpaid balances after five (5) years.
5. The motorcycle shall be utilized by the recipient in the discharge of his duties in the BENECO for a period of not less than the amortization period of five (5) years and as long as he is an employee of BENECO.
6. The recipient at his own option may apply for a new motorcycle plan at the end of the five (5)-year amortization period, provided that the first plan has been fully paid.
7. In case the recipient ceases to be employee of BENECO, the recipient shall pay in full the remaining balance of the acquisition cost including interest if any and the unit shall be transferred to him. If the employee decides not to acquire the unit, his monthly amortization shall be forfeited in favor of BENECO. In case the employee/recipient is separated from the service for just cause the unit shall be

MOTORCYCLE PLAN

POLICY 2000-03

retained by the cooperative and he shall not receive any refund. If the employee recipient is separated from the service for any of the authorized causes, he must acquire the unit by paying in full the remaining balances including the interest if any.

8. In case the recipients is transferred to a position not falling under the definition of recipient provided under Policy number 2 above within the amortization period for whatever cause, the recipient shall have the right-to-first-option to acquire by way of continuing his remaining amortization payments. However, the recipient shall not be entitled anymore to other benefits provided for in the Motorcycle Plan.
9. That the cost of registration shall be to the account of BENECO provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with BENECO and until such time that the ownership of the motorcycle is transferred in the name of the recipient. The cost of the transfer of ownership shall be to the account of the recipient.
10. In case of accident, the claim of damages by a third party for injury, death or damages to property shall be answered by the insurance policy. However, in case the cost of damages is more or beyond the insurance coverage, BENECO may shoulder the expenses provided that the recipient is not guilty beyond reasonable doubt of reckless imprudence and the accident happened within the area coverage of BENECO (if outside the area coverage of BENECO, it should be covered by a duly approved Travel Order) and during the performance of official duty. On the damage of the motorcycle itself, the second paragraph may apply in the absence of own-damage insurance policy. It is presumed that the motorcycle itself is still owned by BENECO unless transferred to the recipient.
11. On the first year, there shall be no repair allowance except maintenance with maximum amount of P 30,000.00 On the second year up to the fifth year, the annual maximum allowable repairs and maintenance expense shall be at P 50,000.00. Any excess shall be for the accounts of the recipient.

The BENECO shall provide the recipient a free change of tire/s yearly and the chain sprocket (as the need arise) provided that the motorcycle is being used by the recipient in the discharge of his official duties and functions with the BENECO.
12. BENECO shall provide gasoline and oil allocation for the recipient's motorcycle based on the approved trip ticket and itinerary of travel.
13. The recipient shall be considered in material breach of the provisions of this policy if the recipient does not use the motorcycle in the discharge of his official duties and functions with BENECO without any valid cause. In this case, the recipient shall be liable to pay the total acquisition cost of the motorcycle (including the chare of BENECO).
14. The recipient shall submit to the Human Resource and Management and Development Department (HRMDD) the preferred model and brand of the motorcycle for evaluation of the specification vis-à-vis the physical attribute of the requesting personnel (specifically the height, arm length, power to weight ratio, etc.).

IMPLEMENTATION: The General Manager shall be responsible in the implementation of this policy.

EFFECTIVITY: This policy shall take effect immediately upon approval.
