MEMORANDUM No. 2015-007

TO : ALL ELECTRIC COOPERATIVES (ECs)

SUBJECT : Revised Guidelines on Benefits, Allowances and Incentives of Electric Cooperative Officials and Employees

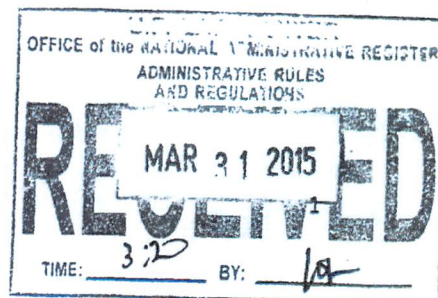

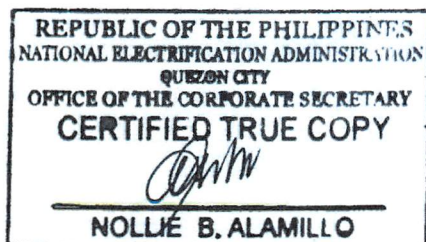

I. Rationale

The electric cooperatives (ECs) officials and employees have hurdled the new challenges, trends and compliances in the power industry which were brought about with the passage of the Electric Power Industry Reform Act (EPIRA) in 2001. Further, with the enactment of Republic Act 10531 or the NEA Reform Act of 2013, the ECs are expected to be more compliant to new rules and regulations towards financial viability, stability and sustainability.

Accordingly, in recognition of their unwavering dedication to the program and to encourage implementation of innovative strategies towards outstanding performance, corresponding adjustment on the benefits, allowances and incentives of EC Board of Directors, General Managers and Employees is considered essential. These include rice, representation, clothing/uniform, anniversary/foundation, medical, travel and per diem. The increase of existing amounts will likewise enable the recipients to cope with the increase in prices of basic services and commodities.

II. Policy

It shall be the policy of this Office to recognize and reward the hard work and determination of EC officials and employees towards improved EC operations, thus, NEA hereby modifies its existing guidelines on benefits, allowances and incentives.

MEMORANDUM FOR THE ADMINISTRATOR

SUBJECT: APPROVAL OF THE GENERAL MEMBERSHIP IN THE GRANT OF BENEFITS, ALLOWANCES AND OTHER EXPENDITURES OVER AND ABOVE WHAT NEA HAS AUTHORIZED

BACKGROUND

1. NEA issued on 31 July 1997 the Revised Guidelines on Benefits, Allowances and Other Incentives (Attachment 1). The same provides benefits and allowances for EC Officers, Employees and Board of Directors (BODs) for a more equitable and reasonable benefit, allowance and incentive package.
2. Earlier, NEA granted autonomy to A+ and A ECs in determining their Cash Operating Budgets (COBs) thru a memo dated 19 April 1996 (Attachment 2). This is in recognition of their consistent good performance. The said memo provides that for per diems and travel expenses, if the coop wants to adjust these amounts upward, they can get approval from the general assembly. There had been instances where such approvals were secured such as PANELCO I on the Board per diems and ISECO on per diems and travelling expenses of the BODs.
3. For the past years, there were A+ and A ECs which religiously complied with our authorized ceilings while some chose to self-servingly adjust upward allowances such as representation allowance, travel allowance, medical allowance, per diems, rice allowance, and benefits like 13th and 14th month pays, year-end Christmas bonus, pension/retirement pay, gratuity pay, financial assistance, without the benefit of any approval either from NEA or the general assembly. These then were categorized as "abuse of discretion and authority" on the part of the BODs and General Manager (Attachment 3 - List of ECs with Audit Findings in the Grant of Additional Benefits without NEA's expressed approval).
4. These were discovered only during audit engagements, and have caused problems, most especially in areas where member consumers were vigilant. These ECs ended up with a long list of disallowances and cash advances.
5. While realizing the need to meet these upward adjustments, we feel that the ECs should now involve their membership in deciding also in such matters. This will remove that sad description of ECs being "pseudo" since members do not participate in decisions such as budget appropriations.

5. Member-consumers have become more inquisitive and demanding at the current time. To allow more public participation, there is a need to really flesh out our *PTA guideposts* such that ECs should practise *participatory, transparent and accountable* management.

Henceforth, effective immediately, to be able to address the aforesaid issues and concerns, *you are hereby directed to secure approval from a legally convened general assembly for appropriations covering additional benefits, allowances and other expenditures above the NEA authorized ceilings.* Please be reminded that this will not include approval on salaries of GMs and employees, which will still be secured from NEA.

The General Manager shall be responsible in ensuring adherence to this memorandum. He shall be liable for any violation in the implementation of the same. This shall be effective immediately, and shall continue to cover all concerned ECs as a result of the yearly categorization process.

For strict compliance.

MEMORANDUM TO: ALL ELECTRIC COOPERATIVES

SUBJECT : Revised Guidelines on Benefits, Allowances and
Other Incentives to EC Officers and Employees

I. RATIONALE

The main yardstick for the grant of additional benefits, allowances and incentives remains to be performance; thus the revised guidelines are cognizant of ECs excelling in their operations. This further means that ECs avail of these incentives due to their ability to operate in a sound business manner.

II. POLICY

To provide a more equitable and reasonable benefit, allowance and incentive package to EC officers and employees of good performing electric cooperatives, the NEA hereby revises all its existing and related guidelines.

III. Benefits, Allowances and other Incentives

A. Travel Allowances

a. Travel Per Diems

Travel per diems shall be provided to defray the daily expenses of all officers and employees of the electric cooperatives to cover the following:

PLACE OF TRAVEL	Lodging		Meals	Transpo Fare
	Officers	Employees		
Metro Manila, Cebu City, Davao City, Zamboanga City, Baguio City, Iloilo City, Cagayan de Oro City	P 700.00	P 600.00	P 300.00	P 150.00
Other Cities	600	500.00	250.00	100.00

Places other than cities				
Outside EC Region	400.00	300.00	200.00	75.00
Within EC Region but outside coverage area	200.00	150.00	100.00	50.00

Actual travel shall not exceed five (5) days excluding travel time, except in cases wherein extension is justified.

Likewise, actual travels must be confined within the approved budget. Constant monitoring must be undertaken by the General Manager and Internal Auditor to ensure strict adherence to the budget.

A travel liquidation report must be submitted within a period not exceeding ten (10) days after completion of travel.

"Officers" as used in this guidelines shall refer to the Board of Directors, General Managers and Department Managers and equivalent positions.

b. Other Allowances

No lodging and meal allowance as provided in Item II(a) of this memorandum shall be given for attendance to seminars/trainings/conferences which have fixed registration fees sponsored and/or authorized by NEA/RE Office.

Instead, the EC may allocate the following additional allowance:

Officers

✓ P100 per day but not to exceed P600 per seminar/conference

Employees

✓ P75 per day but not to exceed P450 per seminar/conference

B. Board Meeting-Per Diems

As policy-makers, the Board of Directors significantly contributes to the success of the electric cooperative. Since the services of the Board Directors are voluntary in nature owing to their desire to represent their respective constituencies, they are not compensated, to that end, the General Manager, not to that of the employees.

Per diems of Board Directors, including ex-officio members, are given only upon actual attendance in legally-convened board meetings. The amount which already includes transportation cost from residence to venue, and back, to attend the board meeting, is determined by, and varies according to, the latest categorization and classification of the cooperative as follows:

C L A S S I F I C A T I O N

In case of any violation found after audit and/or RE Office investigation, the officers/employees concerned shall be required to refund immediately and in full the disallowed amount to the cooperative, without prejudice to the application of such other sanctions to all concerned as the pertinent laws and other NEA rules and regulations may require.

IV. Responsibility and Accountability

The Finance Manager and Internal Auditor shall be responsible for monitoring the ECs' compliance with these guidelines.

The General Manager shall be accountable for the proper implementation of these guidelines. He shall likewise be held liable for the grant of any benefit and allowance over and above those provided here.

V. Effect on Other Issuances/Effectivity
