

POSITION DESCRIPTION for the GENERAL MANAGER

POLICY 2-1

PURPOSE: To set forth the duties and responsibilities of the Manager and the authority delegated to him by the Board.

INTRODUCTION:

The successful operation of the cooperative as a member-owned, non-profit, service-oriented enterprise depends largely on the effectiveness of the Manager.

POSITION DESCRIPTION for the GENERAL MANAGER

An effective Board of Directors does not engage in the operational management of the cooperative. The Board adopts overall policies of the major areas of the Manager to act independently within the scope of such policies.

Recognizing therefore the key role played by the Manager, the Board hereby adopts these policies:

1. QUALIFICATIONS:

- a. College degree in one or combination of the following:

Business Administration
Electrical Engineering
Mechanical Engineering
Accounting

- b. At least five (5) years of experience as a Manager of a successful business enterprise or public administration supervising 20 or more employees, preferably 30 to 50 years old.
- c. Experienced in planning and organizing operations for business enterprise.
- d. Capability for the development and implementation of operations, methods and procedures.
- e. Ability to supervise and influence people.
- f. In good health and a record of personal integrity.

2. SCOPE of RESPONSIBILITIES

Under delegated authority of the Board of Directors, the Manager's scope of responsibilities includes:

- a. Advise and assist the Board of Directors on objectives, plans, policies and programs in all areas of concern to the cooperative.

POSITION DESCRIPTION for the GENERAL MANAGER

POLICY 2-1

- b. The development of a program and the organization of a staff for the engineering, construction, and operation of the electric facilities required to meet program objectives.
- c. Managing the affairs of the cooperative with the objective of making electric service available to all forms, houses, commercial and industrial establishments, and community facilities within the franchise service area.
- d. Providing at the lowest feasible cost, an adequate supply of dependable electric energy that will add profitability to farming and industry; offer safety, sanitation, and comfort in homes, and develop the local economy.
- e. Developing among the members an understanding of their ownership responsibilities and benefits in the cooperative, and an acceptance of the cooperative objectives and policies in the local communities.
- f. Operating the cooperative on a non-profit basis for service in accordance with modern principles of management organization and sound human relations.
- g. Assuring good working conditions for the cooperative's personnel and providing them opportunity for maximum creativeness, personal satisfaction, and sense of accomplishment.
- h. Advising and assisting the Board of Directors in developing sound written policies and in making informed decisions about objectives, programs and basic controls for the cooperative.

3. FUNCTIONS and DUTIES

It will be the responsibility of the General Manager to:

- a. Direct and coordinate the engineering design and construction of the electric facilities authorized by the Board of Directors.
- b. Develop and implement the operational directives required to carry out the policies and decisions of the Board of Directors.
- c. Establish and direct an organization to operate and maintain the facilities necessary to carry out the objectives of the program.
- d. Develop management practices, methods, and procedures to assure effective operations of the system.

POSITION DESCRIPTION for the GENERAL MANAGER

POLICY 2-1

- e. Provide advice and assistance to the organization staff to effectuate an efficient operation.

IMPLEMENTATION:

THE Board is responsible for the implementation of this policy.

(SGD) JACK DULNUAN
President

(SGD) NICASIO ALIPING
Secretary

ADOPTED pursuant to Resolution No. 38 dated 15 March 1974.
