

PREVENTION AND CONTROL OF HIV/AIDS

Policy No. 06 - 2005

PURPOSE: To establish a policy for the prevention and control of HIV/AIDS in the Cooperative.

INTRODUCTION:

Republic Act No. 9165 otherwise known as the "Philippine Aids Prevention and Control Act of 1998" requires that all offices, both government and private, shall institute HIV/AIDS awareness and prevention program in their respective workplace. Workers and their employers must be made aware of HIV/AIDS so that they can protect themselves and the others through correct information about its control and prevention. Under the law, the Department of Labor and Employment (DOLE) shall be responsible in the monitoring and assessment of the HIV/AIDS program in the private sector.

POLICIES:

1. The Cooperative shall develop and implement a comprehensive educational and information campaign to promote awareness to all its employees about the causes, modes of transmission, consequences and means of prevention and control of HIV/AIDS.
2. Self-learning information materials about HIV/AIDS such as brochures, booklets, flyers or tapes shall be provided by the Cooperative and be made available and accessible to the employees.
3. Funds for the HIV/AIDS education and information program shall be incorporated in the annual budget of the Cooperative to ensure the success of the program,

IMPLEMENTATION:

The General Manager is responsible in the implementation of this Policy.

EFFECTIVITY:

This Policy shall take effect upon the approval of the Board of Directors.
