

**PROHIBITING COOPERATIVE EMPLOYEES FROM ENGAGING
and/or ACCEPTING JOBS RELATED TO ELECTRICITY**

POLICY 3-19

INTRODUCTION:

To provide specific guidelines and penalty to employees of the cooperative inhibiting them from engaging outside jobs related to electricity, either directly or indirectly, without clearance from the General Manager, the Board adopts the following policies:

POLICIES:

1. That all employees of the cooperative are strictly prohibited from engaging or performing outside job/s related to electricity other than those job orders assigned by management without clearance from the General Manager.
2. That when an employee/s is/are found or caught performing outside jobs similar or related to the cooperative objectives without clearance from the General Manager, the employee concerned shall be subject to the following disciplinary or penalty measure without prejudice to the provisions of the labor Code.

1st offense	:	reprimand
2 nd offense	:	suspension for 15 to 30 working days
3 rd offense	:	dismissal
3. In case of dismissal for serious offenses, management shall undertake the necessary filing of termination papers in conformity with existing Labor Laws.

IMPLEMENTATION: The General Manager shall implement this policy.
