

RECRUITING STANDARDS

POLICY 3-14

PURPOSE : To establish policies on recruiting practices of the cooperative.

INTRODUCTION:

The cooperative shall select personnel whose trainings, experience, aptitudes and abilities show the greatest possibility of providing the cooperative with quality work performance. Effectively-staffed cooperative contributes greatly to the successful operation of the business as a member-owned, non-profit, service-oriented enterprise. To this end, the Board of Directors therefore adopts the following policies:

1. The task to be performed are determined.
2. Positions which will have these tasks performed shall be created on the staff.
3. Position descriptions which will clarify the task to be performed by the employee in each position shall be provided.
4. Persons who meet these requirements and who will perform the task specified in the written position description shall be hired.
5. The recruitment process shall include: reception of applicants, application form, testing, interview, investigation of previous history, selection by supervisors with the manager's approval, physical examination, notification of placement and orientation.
6. The applicants who do not qualify shall be rejected at any point in the recruitment/selection process.

IMPLEMENTATION:

The General Manager shall be responsible in seeing to it that these policies are adhered to.
