

## REGULAR APPOINTMENTS

### POLICY 3-13

**PURPOSE:** To establish the guidelines for appointing regular employees of the cooperative.

#### INTRODUCTION:

The cooperative should be staffed with efficient, competent, and dedicated employees to carry on the functions of the enterprise to achieve its corporate objectives and to come up with an effective operation of the cooperative. To this end, the Board therefore adopts the following policies:

1. All appointments shall be probationary in nature for six (6) months, except in the case of Department Heads.
2. The immediate supervisor shall make a recommendation to the General Manager, through the Department Head concerned, for reclassification of the employee to that of a regular appointment at the end of the 5<sup>th</sup> month of the probationary appointment.
3. The probationary period can be extended beyond the six-month period in case the Department Head needs more time to evaluate the performance of an employee; however, the extension shall not be more than three (3) months.
4. The immediate supervisor shall recommend to the General Manager, through the Department Head concerned, the termination of the service of such employee at any time during the period of probationary appointment in case an employee does not merit a regular appointment.
5. The General Manager shall approve the reclassification to regular appointment or termination of services of probationary employees as the case may be.

#### IMPLEMENTATION:

The General Manager shall be responsible in the implementation of this policy.
