

RESIGNED and/or TERMINATED EMPLOYEES

POLICY 3-18

INTRODUCTION:

There have been several instances when employees who have resigned from the cooperative and/or have been terminated, have continued transacting business with member-consumers.

These member-consumers, on the other hand, have no knowledge that the person they are dealing with have already been separated from the cooperative.

For the safeguard of the cooperative and its member-consumers, a policy covering resigned and/or terminated BENECO employees is hereby adopted.

POLICIES:

1. All names of resigned and/or terminated BENECO employees will be in a roster reflecting those who have severed their connections with the cooperative.
2. These names appearing in the list will be publicized through all the available media in the locality.

IMPLEMENTATION:

The General Manager shall be responsible for implementing this policy.

EFFECTIVITY:

This policy shall take effect 10 February 1979.
