

REWARD-GIVING SCHEME

POLICY 6-9

as amended

PURPOSE:

To provide guidelines in granting incentives to individuals who can provide valuable and reliable information leading to the apprehension of persons engaged in multifarious illegal activities prejudicial to BENECO, such as:

1. Building owners/renters found using jumpers (buildings may be either residential or commercial, educational, or industrial).
2. Individual or group of individuals undertaking illegal electrical connections/installations, in violation to existing BENECO policies.
3. People found tampering electrical meters.
4. People instrumental in the use of electrical devices or instruments which cause electric meters to move counter-clockwise.
5. Cash rewards shall be granted to individuals upon apprehension of the culprit/concerned as follows:

A. USING JUMPERS/SOLID FUSE

Residential	:	P 150.00
Educational	:	P 250.00
Commercial	:	P 500.00
Industrial	:	P 10000.00

B. Illegal electrical connection/installation: P 500.00

C. Electric meter tampering: P500.00

D. Use of electrical device which cause meters to move counter-clockwise:
P1000.00

E. Twenty-five (25%) percent of the actual value of the supplies/materials/equipment stolen or pilfered but not to exceed P1,000.00

IMPLEMENTATION: The General Manager shall be responsible in implementing the policy as well as submitting reports of apprehension to the Board for appropriate action.

An initial amount of P10,000.00 should be set aside from the general funds to facilitate payments of cash rewards to individuals upon completion of apprehension of the culprits.

EFFECTIVITY: This policy shall be effective on April 22, 1985.
