

SAFETY PROGRAM

POLICY 3-5

PURPOSE: To establish policies on safety program for the cooperative.

INTRODUCTION:

Accidents result to unnecessary waste of our resources, either of persons or properties, or both. Accidents may cause needless destruction of properties and even loss of irreplaceable human lives. Realizing that such losses can be minimized, if not completely prevented through safety programs, the Board adopts the following:

1. A safety program shall be initially incorporated in every work plan.
2. A safety training program shall be initially conducted for all employees.
3. Regular safety meetings shall be conducted for employees.
4. The cooperative may send representatives to safety seminars.

IMPLEMENTATION:

The General Manager is responsible for the implementation of this policy.
