

SERVICE RULES and REGULATIONS

POLICY 6-1

PURPOSE : To provide guidelines in decision-making and to establish a uniform procedure in approaching problems occurring in day-to-day operations of the cooperative.

INTRODUCTION:

The Board recognizes that good management is the most important factor in the success of the electric cooperative.

In view of this, it is necessary to define the performance area of all the branches of our operations and develop a uniform approach in recurring problems and/or situation.

The Board, therefore, adopts the following policies:

SERVICE RULES and REGULATIONS:

1. The supplying of electricity service by the cooperative to consumers.
2. The receiving of electric service by the consumers from the cooperative.
3. Uniform procedure for service.
4. The safety and well-being of consumers in particular and the cooperative in general .

IMPLEMENTATION:

The Manager shall be responsible for the preparation of service rules and regulations and said service rules and regulations shall be submitted to the Board for consideration and approval.
