 - b. Expenses which may be incurred by officers or employees designated to represent the cooperative in seminars, meetings, conferences, symposia and the likes
 - c. Expenses for the conduct of information education campaigns, consumers awareness programs and the likes
2. That cash advances shall be granted upon the approval by duly authorized officials of the Cooperative which shall be based upon the budget needed, fees required, per diems allowed, transportation expenses and board and lodging expenses.
3. That in case the officer or employee failed to attend the seminar, conference, symposium, and the likes, he/she shall be made to immediately refund the amount advanced from the cooperative.
4. That an officer or employee shall only be allowed one cash advance at any given time. No further cash advance shall be granted to any officer or employee until such time that he/she has fully liquidated the cash advance incurred by him/her.
5. That the officer or employee shall prepare a Liquidation Report within seven (7) days after his/her travel or after incurring the expenses adequately supported with official receipts, invoices, etc. subject to prescribed accounting and auditing standards and Implementing Rules and Regulations (IRR) on Liquidation of Cash Advances. The unutilized portion of the cash advance shall be returned to the Cooperative. On the other hand, any amount spent/utilized in excess of the cash advance shall be refunded/reimbursed to the employee or officer.

JDC: 5 days from receipt of the memo Sir

EAS: Sir your concern was address that your right to answer the charges is not waived , It is here, hindi nawala .

PBB: so are you amenable of the amendments introduced , otherwise to retun this to BELU and management

EAS: Yung concern nyo is papano kung di nya inamin yung kasalanan , wala na ba syang karapatan na magsubmit ng documents para patunayan na sya ay inosente , Atty what can you say about it ?

JDC: ganito na lang sir , for them to be assured we'd like to indicate here that " on the other hand in case that there is no admission of guilt , the employee has the following option :

A. To waive the conduct of administrative investigation and the case be submitted for decision based on available records

B. Be subject to the conduct of administrative investigation after they have given the opportunity to file an answer in 5 days.

Mateo : Okay nayun sir kasi na address na yung concern namin

FBK : what is important is it should be clear elements of due process which are notice and hearing

JDC : it is provided for in another (inaudible), and of course for us in HR we would also want to follow the rule , after the approval of the respondent we submit a copy to DOLE for their comments

PBB: JDC to polish the amendment and present the draft in the next meeting for the board to consider . We will wait for the final draft from Atty Janeene.

Comments from BELU (ANNEX 2)

3. PROPOSED AMENDMENTS TO BENECO BOARD POLICIES . (ANNEX 3)

A . Policy 3-9 : UNIFORM ALLOWANCE

September 9

PBB: the amendments in bold letters , any discussion ?

FKB: move for the approval of these amendments

PBB: any discussion ?

MOL: may I include its employees "and officers "

PBB: Any further discussion ? amendments ? having no more , this policy is hereby approved with amendment by MOL to include " and officers " after the word " its employees"

~~B . Policy 3-21 : GRANTS & LIQUIDATION OF CASH ADVANCES~~

PBB: we added provision 8, 9 , and 10 . Any motion for this introduced amendment

JCO: May I move for the approval of this proposed in policy 3-21

FBK: since shelter is a human need , can we add this also for cash advance , unless there is another policy that covers this , also cash advances for house renovation

PBB: per Sir JDLS , this covers only educational

FKB: did we not ever encounter a request for house renovation from any of our employee due to calamity

JDC: when it comes to calamity assistance , the management also provides benefit for this however the amount is very limited . Subject to verification and submission of barangay certification .

FKB: I reiterate my motion for the inclusion of housing improvement for cash advance in view of the fact that shelter is one of our basic human needs

235 **JDLS** : Sir we are in the process of negotiating with banks purposely for housing improvements
236 just like our salary loan with BDO . Most reason for loan is for housing . Our fear is if we include
237 housing in the cash advance, baka lumaki na yung kanilang deductions .
238 **FKB**: so do we have a separate policy for housing loans ?
239 **JDLS** : there is a personal salary loan from the bank
240 **EAS** : this cash advances are for during emergency , isn't it ? I think there is a logic on your
241 suggestion during calamity. Because if we will wait for housing loan that will take time .
242 Anyway the amount here does not exceed the monthly salary .
243 **JBT**: I think we need to have a separate policy on housing loan because the purpose of this
244 policy 3-21 is for advances for travels and seminars .
245 **EAS**: why should we make another policy, why not just insert it in paragraph 8, educational
246 needs
247 **JDLS** : my observation with our loans with the bank , upon submission of the list of borrowers
248 together with the amount of the loan , the most is two days , makukuha na yung loan .
249 **FBK**: you probably just add one phrase in compassing to address that basic human shelter
250 need . Like for educational need and / or housing repair
251 **JBT** : I go with Dir Somngi and Dir Bayasen
252 **BMC**: how about if we just say emergency need as sometimes it is not only house repairs that
253 we need but others like car repairs , anyway it will not exceed the one month salary , so it will
254 cover all
255 **FKB**: I just want to be specific as it is a basic need
256 **PBB**: Sir JDLS , the concern of the directors here is aside from the added amendments to the
257 policy , we wanted to add , for educational and "emergency house repairs brought about by
258 calamities " , are you willing to insert that JDLS ?
259 **JDC**: to as not to complicate with the other policies ,may we request that for housing repair it
260 will comply with the requirement of certification, estimate something like that , because we
261 have a provision under the CBA for the grant of emergency loan for cash advance. . But for the
262 CBA ,it does not cover all
263 **PBB**: so what will be now the outcome , can you rephrase the whole amendment , start with
264 #1 letter (a)
265 **JDC**: to meet contingencies for illness , accident , death or for educational needs , including
266 renovation of employees house damaged due to calamity subject to the submission of the
267 necessary documentary requirements maybe provided for in the other policy of cash advances
268 **JBT**: #9 ,that the personnel must submit the liquidation report within 30 days , please define
269 **JSA**: because this is part of the disqualification of a Director in the new IRR
270 **PBB** : We understand Dir Acop. Maybe we say that " that the personnel must submit the
271 liquidation report within 30 days from the last day of travel.
272 **BBC**: actually I have a concern regarding cash advances , because we were questioned by NEA
273 auditors on how we treat cash advances, the previous guidelines , we only have 7 days to
274 liquidate official cash advances. I would like to propose that we separate official cash
275 advances and personal cash advances. So that for official cash advances we have to be strict
276 considering that cash advances is a criteria , the amount , there's threshold of P50K at the
277 end of the quarter, that should be the balance of our cash advance , otherwise , we will be
278 subjected to a demerit point
279 **PBB**: so what would be your proposal Madam?
280 **BBC**: we separate official from personal , and we define that for the official cash advances we
281 maintain the 7days to liquidate and then that will be also the guide to accounting to also
282 deduct from the salaries of the employees , the balances , and for personal cash advances , we
283 can follow the 5 installment , however we also have a concern for the 5 installment , what will
284 be considered as 5 installment ? is it 5 monthly for employees or every pay day and for the
285 board will it be 1st regular and second regular meeting , cause it is silent in the policy
286 **PBB**: since there are many amendments on this policy we would like to suggest for the
287 management to input amendments coming from the board and from concerns from BBC so
288 that in the next board meeting we have the final amendments to this policy and for the board
289 to act . So that there will be an addendum to this policy magiging 11 na .

MOL : suggest that we will have a policy for the official and another policy for the personal cash advances , kasi yung purpose kasi dito noong binasa ko yung discussion natin is naka focus sa official, na mix lang yung personal. It does not cover the personal assistance to employee . So we will make separate policies , so that yung purpose natin sa personal is o give assistance. Amend the entire policy.

PBB: so we have to return this to management to finalize so we can act on this on the next meeting .

C. Policy 3-87 : PER DIEMS, TRAVELLING EXPENSES , COMMUTABLE SUBSISTENCE , INCIDENTAL & TRANSPORTATION ALLOWANCES FOR OFFICERS AND EMPLOYEES

PBB: The amount in the policy here are not updated

MOL : there is an issue raised by our meter readers who actually travel from here to Bakun . Along the way , nadadaanan nya ang mga cities , but their per diem is only P70.00 . So we suggest if it is possible mam Brenda, nakung may madadanan silang city , yung per diem ng city ang makukuha nila . like for example yung pupunta sa Batangas , madadaanan nila ang Manila , yet yung per diem from here to Batangas is mas maliit kesa sa here to Manila

PBB: are you amenable to the proposal or otherwise we will return this to you to polish it up , we will refer this to Audit
