

STREETLIGHTS

POLICY 10-3

OBJECTIVE:

To provide guidelines and procedures on requesting streetlights and determine responsibilities for its consumption and maintenance.

POLICIES:

1. All requests for streetlights shall be coursed through the city/municipal government who will be responsible for the following:
 - a. provide the unit
 - b. pay its monthly consumption
 - c. maintenance of units
2. Private individuals may request for installation of streetlights provided they will shoulder its monthly consumption.
3. Streetlights should be provided with photo electric cell; energy consumption shall be billed flat rate base on the capacity of the bulb use computed at 12hours in operation.
4. The cooperative shall assist by installing the said equipment free of charge.
5. All streetlights should be installed/connected by authorized BENECO personnel.

EFFECTIVITY:

This policy will take effect upon the approval by the Project Supervisor/REM1.

APPROVED.
