

SURCHARGES ON DELINQUENT ACCOUNTS

POLICY 6-8

as amended

PURPOSE:

To establish a policy on the imposition of surcharges for delinquent power bill accounts of consumers.

RATIONALE:

Because of the minimal surcharges imposed on the consumer's monthly billings, they have the tendency to settle their accounts after the expiration date.

To discourage this practice and at the same time encourage the paying public to pay on time, a policy is hereby promulgated.

POLICIES:

1. Power bill accounts of consumers shall be considered delinquent if not paid on or before the due date stated on the bill issued to each member-consumer.
2. Consumers are given EIGHT (8) days grace period within which to settle the account counted from the date of bill distributed EXCEPT FOR GOVERNMENT AGENCIES which shall be granted FIFTEEN (15) days grace period in consideration of the length of time necessary in the processing of payment.
3. A surcharge of TEN (10%) PERCENT shall be computed based on the delinquent balance and to be added to the total amount due from the consumer upon payment.
4. Employees shall in no way enter into an arrangement with consumers regarding delinquent accounts and anyone found violating the same shall be subjected to disciplinary actions under existing rules and regulations.

IMPLEMENTATION:

The General Manager shall be responsible in the implementation of this policy.

EFFECTIVITY:

This policy becomes effective upon approval.
